

# Panther 16

## Portable Canister Vacuum

The Panther 16 canister vacuum cleaner is the lightweight—yet powerful—answer for most dry vacuuming applications. Featuring a generous 1.75 HP motor, the Panther 16 is the economical choice for carpeted or bare floor areas. This sturdy canister vacuum cleaner also combines low noise (57 dBA) with high performance for incredible cleaning.

- Producing only 57 dBA, the Panther 16 is quiet enough for any application.
- The Panther 16 is shipped with a flexible hose, combination bare floor/ carpet tool, round brush, crevice tool, upholstery tool, 2-piece wand, and wand handle.
- The Panther 16 has a 16.5-liter (dry) tank capacity.

- 1 The convenient flip-up carry handle at the top of the machine makes transporting the Panther 16 easy.
- 2 The side latches secure the head to the body of the Panther 16, even when carried by the top transport handle.
- 3 The one-press on/off button is located at the top of the machine for easy access.
- 4 Polyethylene head and tank resist dents and corrosion.
- 5 The two caster base provides amazing maneuverability, even in tight areas.

The standard Panther 16 tool kit includes: flexible hose, combination bare floor/carpet tool, round brush, crevice tool, upholstery tool, 2-piece wand, and wand handle.

A cord wrap at the back of the vacuum makes cord storage convenient.

Tool holder provides easy storage and accessibility for commonly-used vacuum tools.

Cartridge filter and polypropylene bag are standard. Cloth bag optional.

The carry handle flips up for easy transportation on stairs.

The Panther 16 is "whisper quiet" allowing for day cleaning in occupied areas. Day cleaning saves electricity by allowing buildings to be dark at night.
